

SUPPLEMENTARY AIRFIELD INSTRUCTION

Reference	SAI 2018/001		
Date Issued	23/08/2018	Date Effective	23/08/2018
Subject	DEMONSTRATION OF COMPLIANCE		

1. PURPOSE

As a certificated aerodrome, Cambridge International Airport (CIA) is required to demonstrate compliance with Commission Regulation (EU) No 139/2014, ADR.OR.B.025 Demonstration of Compliance. This rule states that:

- a) The aerodrome operator shall:
 - 1) Perform and document all actions, inspections, tests, safety assessments or exercises necessary, and shall demonstrate to the competent authority:
 - i. Compliance with the notified certification basis, the certification specifications applicable to a change, any safety directive, as appropriate, and the applicable requirements of Regulation (EC) No 216/2008 and its Implementing Rules;
 - ii. That the aerodrome, as well as its obstacle limitation and protection surfaces and other areas associated with the aerodrome, have no features or characteristics making it unsafe for operation; and
 - iii. That the flight procedures of the aerodrome have been approved.
 - 2) Provide to the Competent Authority the means by which compliance has been demonstrated; and
 - 3) Declare to the Competent Authority its compliance with point (a)(1).
- b) Relevant design information, including drawings, inspection, test and other relevant reports, shall be held and kept by the aerodrome operator at the disposal of the Competent Authority, in accordance with the provisions of ADR.OR.D.035 and provided on request to the Competent Authority.

The following contents will be added to the Aerodrome Manual, Part A on the next full revision.

2. CONTENTS

In order to demonstrate compliance with ADR.OR.B.025, CIA will use the model form of declaration of compliance from GM1 ADR.OR.B.025 in AMC/GM to Annex III – Part ADR-OR.
